

**REMARKS**

Upon entry of the foregoing amendment, Claims 1, 4, 5, and 9 are pending in this application. The Examiner rejected Claims 1, 4, and 5 under 35 U.S.C. §112, first paragraph and rejected Claims 1, 4, 5, 9 and 10 under 35 U.S.C. §112, second paragraph. The Examiner indicated that Claims 1, 4, 5 and 9 would be allowable if amended to overcome the §112 rejections. The foregoing amendment amends Claim 1 to recite the coolant, amends Claim 9 to clarify that the filter removes an oxidation reaction product of the glycol, and cancels Claim 10.

The application should now be in condition for allowance and the Applicants solicit a notice to that effect. If there are any issues that can be addressed via telephone, the Examiner is asked to contact the undersigned at 404.685.6799.

Respectfully submitted,

By: Brenda O. Holmes
